February 2018

Refurbishments and Squiddleys

Recently the Club has carried out some refurbishments in Squiddleys and the rear entrance to the club. Squiddleys was repainted with an underwater theme mural and perhaps more importantly for the children, bigger computer screens and new games where installed.

Squiddleys is an important room for parents visiting the Services Club as we are the only venue in Byron Bay that provides a free child minding service. Parents can enjoy a quiet meal while their children are being supervised in a high tech games room.

The rear entrance to the Pandanas Room has been painted to show a seaside mural, the steps have been tiled and the railings powder coated. The Board would like to thank Jane Miller (one of our Directors) who organized artist David McElvenny from Stay Gold Studio to paint the murals. These changes have really brightened up the rear of the Pandanas Room so that it may be used as an inviting entrance for functions.

Staff and Board Members

The past few months have seen some changes in the Board and Management of the Club. Violet Hill was elected as a Board Member late last year, Maria King has been recently promoted to Assistant-Manager and Glen Mason has returned to the Club as the Head Chef in January. The Board welcomes you all to your new roles in the Club.

Solar

The Services Club's, 100 KW solar system is working well and has resulted in a significant reduction in our power bills. To date we have been able to keep our power bills under the rate we were paying in 2016, despite the continual rise in electricity prices.

Super Saturdays and Email promotion

In March the Club is holding the Super Saturdays Member Cash Draws where a total of \$15,000 will be given away over three consecutive Saturdays - 10th, 17th, and 24th to some lucky club members. All details are available at the Club Reception.

On 10th March all our current members who have provided their email address upon renewal will get the chance to win an Ipad to the value of approx \$700 and you do not have to be in the club to win this Ipad.

Regards

Dr Kevin Tibbett
President, Byron Bay Services Club
